

2008 Wholesale User Forum (WUF) Schedule

(Revised 8-1-08)

FairPoint proposes that the User Forum take place once a Month in 2008. The meeting will alternate between Face to Face meetings and Webex meetings every other Month. At the Nov 29th 2007 meeting it was discussed that we should schedule FairPoints meetings around other ILEC/OBF meetings so as not to create a conflict for those who attend multiple meetings. The other industry meetings have been reviewed and FairPoint now proposes the 4th Wednesday of the Month. At the January 2008 meeting we will take a consensus vote on the 2008 schedule.
